

Founded in 2013 Z's Bakery and Deli produces some of the most flavorful bake goods in the area. Our bake goods are made from scratch daily. Our experienced staff feels that QUALITY and FLAVOR are the two most important things when it comes to our products.

We at Z's Bakery and Deli, are tremendously proud of our Veterans, Military Personnel, Police, Firefighters, and EMT professionals and would like to thank them for their service by offering them a daily discount. We will also be giving other special career fields a discount throughout the year, so watch for our "Professional Discount Day". We try and cater to our neighbors and friends in the community through donations to our local school fund raisers and charity events.

For information about current daily products please contact us.

**Military, Veterans, Police,
Fire, and EMT**
